The Greatest Commandment

What does Jesus say the greatest commandment is? At first you might think that the most important thing would be to not kill anyone, wouldn't you? But that's not what He says! The very most important thing is to love God with our whole heart and soul and mind! It means that we must do everything we do for love of God, and live our whole life completely for Him.

But how can we love God so much? Well, we can practice little by little, loving Him more each day. Paying attention at Mass every Sunday and saying a prayer every day would be a good start. Every morning tell God that you will do everything for Him today and every night before you go to bed, thank God for all that He has done for you and tell Him you're sorry for the bad things you did that day. Then try to think about God through the day.

The second greatest commandment that Jesus tells us is that we should love others as much as we love ourselves. If we really love God then we will want to love other people too, because God loves them! If you don't love others, it shows that you don't really love God as much as you should. What can you do today to start loving God more?

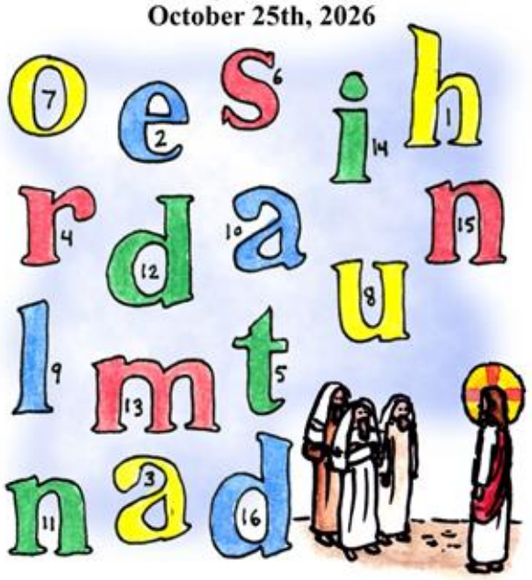

Answer to front page: heart, soul and mind.
Answers to Unscramble: greatest, Lord, heart, soul, mind, first, love, yourself, whole: TO LOVE GOD
